

MR. BROWN CAN MOO! CAN YOU?

Dr. Seuss always tells a fun story and this book is no exception. See how well you can buzz, dibble and dop!

Author: Dr. Seuss

Ages: Toddler to 6 years

Pages: 19

Themes: Animal sounds; rhyming

Most of the sounds in this book are going to be familiar to your child so let's have some fun with a "repeat" game. As you're reading the book, have your child repeat the sounds after you've made them first. After you've read the book a couple of times (or 40), have your child identify the animal or object along with making the appropriate sound. Have some fun trying to mimic some of the sounds in the book. Shake a cookie sheet to see if it sounds like thunder.

Practicing whispering skills will come in real handy! There are times that loud voices are inappropriate so if you've talked about how much fun whispering can be, turning down the voice volume can become a cool game!

Don't forget to have your child help you turn the pages. This helps them to develop finger coordination plus it shows them how a story progresses from one page to the next.
