Words that rhyme

As you and your child read this book, ask what other words might rhyme with the others.....chew, you, blue, do.

Pets can play an important role during a child's early years. Whether you have a pet or not ask your child what their pet is like or what kind they would like to have. Ask questions like:

- *Does it have long or short fur?
- *How many legs does it have?
- *Is it big or little?
- *What do you (or would you do) to care for it?
- *Where does it (or would it) sleep?

Have your child draw a picture of their pet. They can be real or imaginary ones. Do they have names for the pets they've drawn?
