

# Travel Games

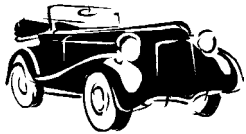

## Quick and easy games:

### Alphabet game:

Start with the letter "A" and the youngest person in the vehicle. He or she must find the letter "A" on something they see, like a sign or a license plate. Then the next person looks for the letter "B". Continue until the entire alphabet is complete. Hint: if you are traveling east on I-90, you may need to drive into Wall to find the letter "Q" on the Dairy Queen sign. Good luck!!

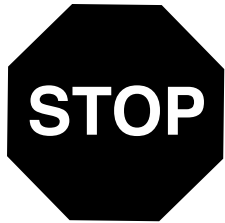

### Vehicle find:

Make a list of the number of vans, cars, motorcycles, etc. that you see. You can even break it down by color, make, or model.

### Strange signs:

There are some cool road and advertisement signs in the Black Hills. Your kids can photograph or draw pictures of neat signs they see.

### Black Hills Bird Feeder:

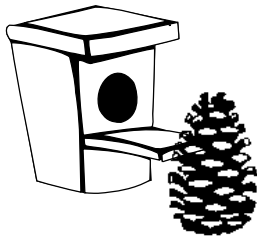

The Black Hills are full of pinecones. The pinecones can be used to make a bird feeder. Tie a string on the pinecone. The pinecone should be covered with peanut butter or honey. Then roll the pinecone in birdseed. The birds will love it. For more information about the activity go to [www.pbskidsgo.org](http://www.pbskidsgo.org) and click on "Maya and Miguel"

### Computer access at hotel:

[www.pbskidsgo.org](http://www.pbskidsgo.org) web site: This is a great kid safe web-site that will keep your children entertained and challenged for hours.

Some of the Activities on this site:

- Over 100 free games played with PBS characters like Arthur
- Links to your children's favorite PBS shows
- Backyard Jungle – A site designed by kids, for kids.
- Don't Buy It – Informed children make better choices
- EekoWorld – Environmental impact site for kids

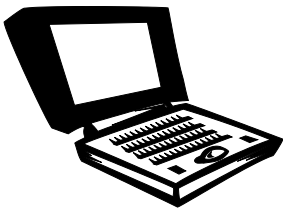

### SDPB.org web site:

This is a great site for parents and kids, full of links and valuable information that are designed to keep you informed. Some of the activities and information on this site:

#### Activities for the kids

- Live web-cams of places you may visit in South Dakota
- TV and radio schedules
- Information for resources for teachers and parents
- Live SDPB Radio cast.
- Dakota Pathways – Great South Dakota history site (also found at [www.dakotapathways.com](http://www.dakotapathways.com))
