

The

Bee Helps Molly

Once
there was
a butterfly
called
Molly.

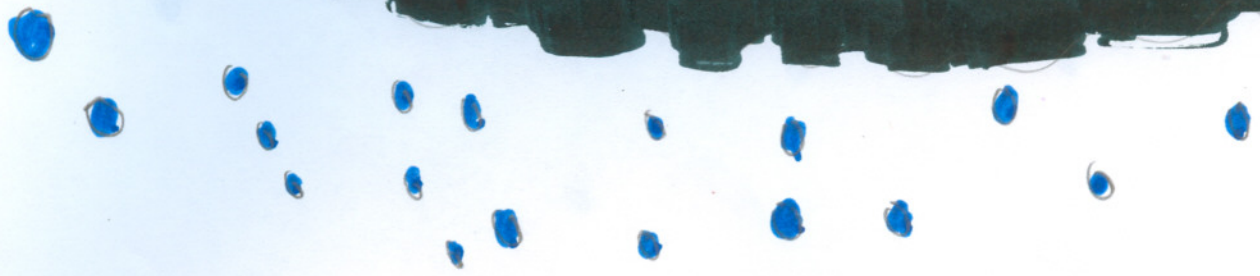

Molly went
out to fly and
didn't know
that the weather
was going to be bad.

The
wind
started to
blow, and it started
to rain.

Molly got ~~er~~fly
her wings
wet. She
fell on the ground.

Along came a
black and yellow
bee. The bees
saw Molly on the
ground.

The bee picked
Molly up.

He said, "I will
take you on a tree
branch."

Molly
said thank
you to the
bee.

The bee felt
happy!

When
the sun
came out,
Molly saw
her wings.
Her wings
were dry.

Then she tried
to fly again.

She went
out to play
with the bee. They
played together
every day.

A large tree with a brown trunk and green foliage. The trunk is thick and textured with brown lines. The foliage is a solid green color. The tree is positioned on the right side of the page.
