

Mystery Noise

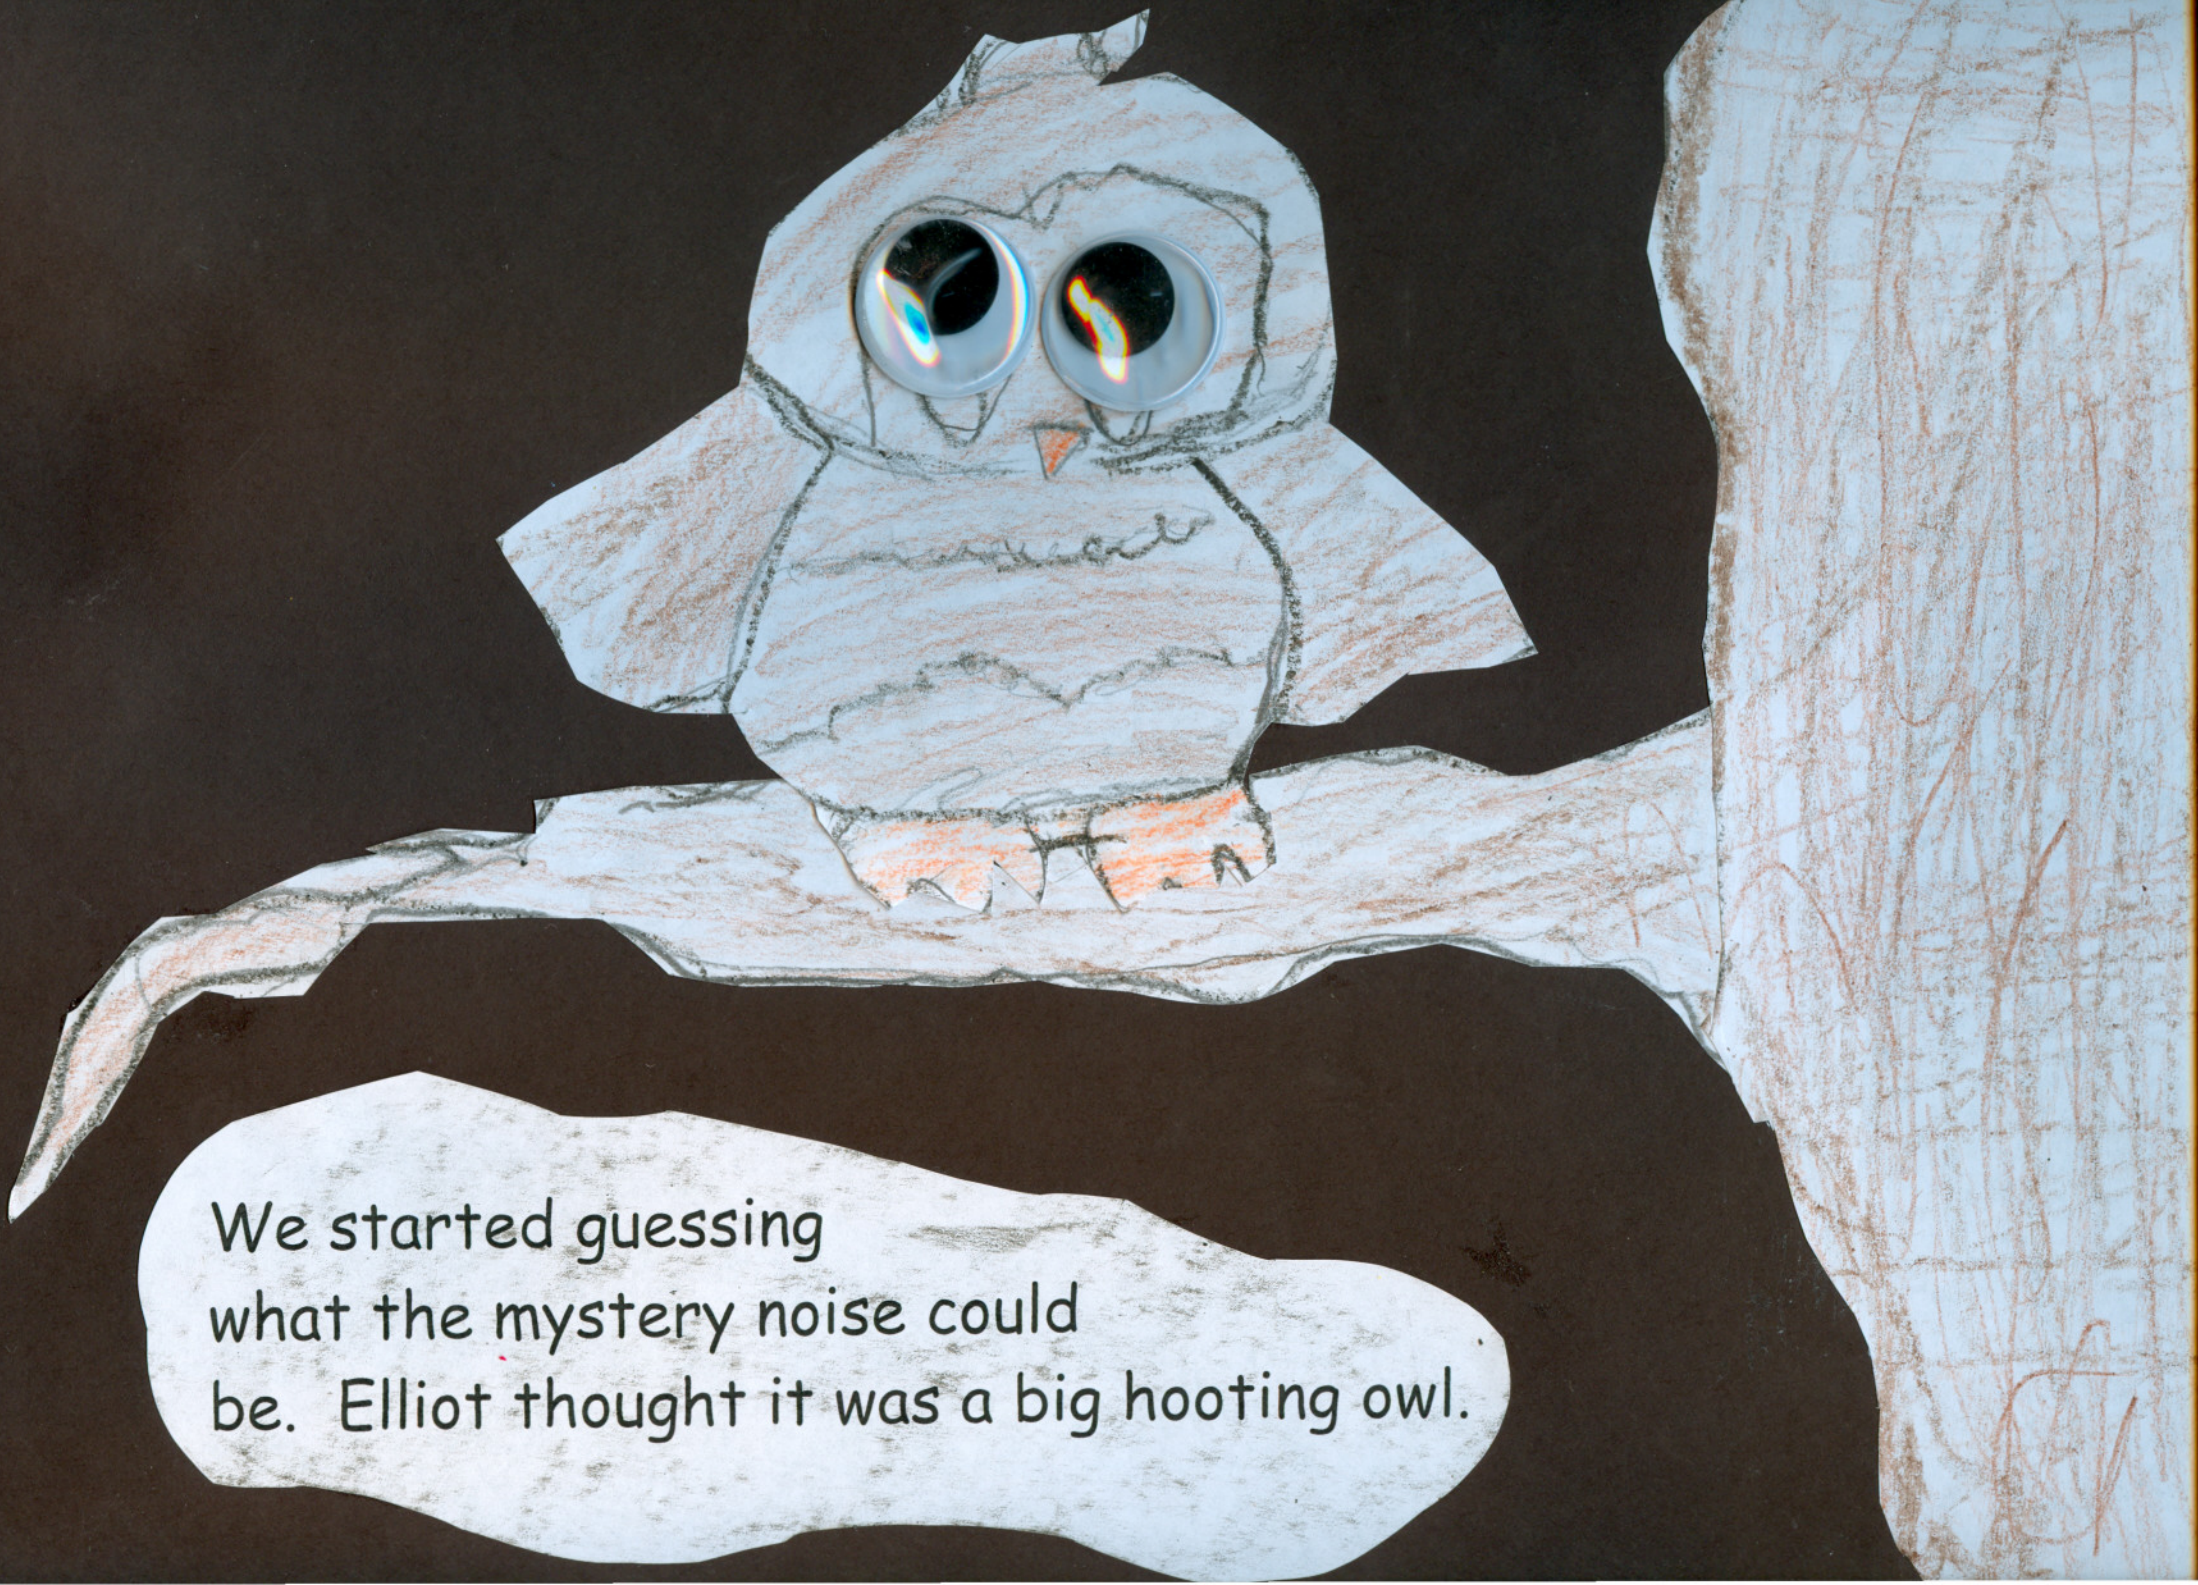

Zane, Gavin, Elliot, and Kolten were sitting by a really large campfire.

We heard a weird and strange noise.

We didn't know what it was.

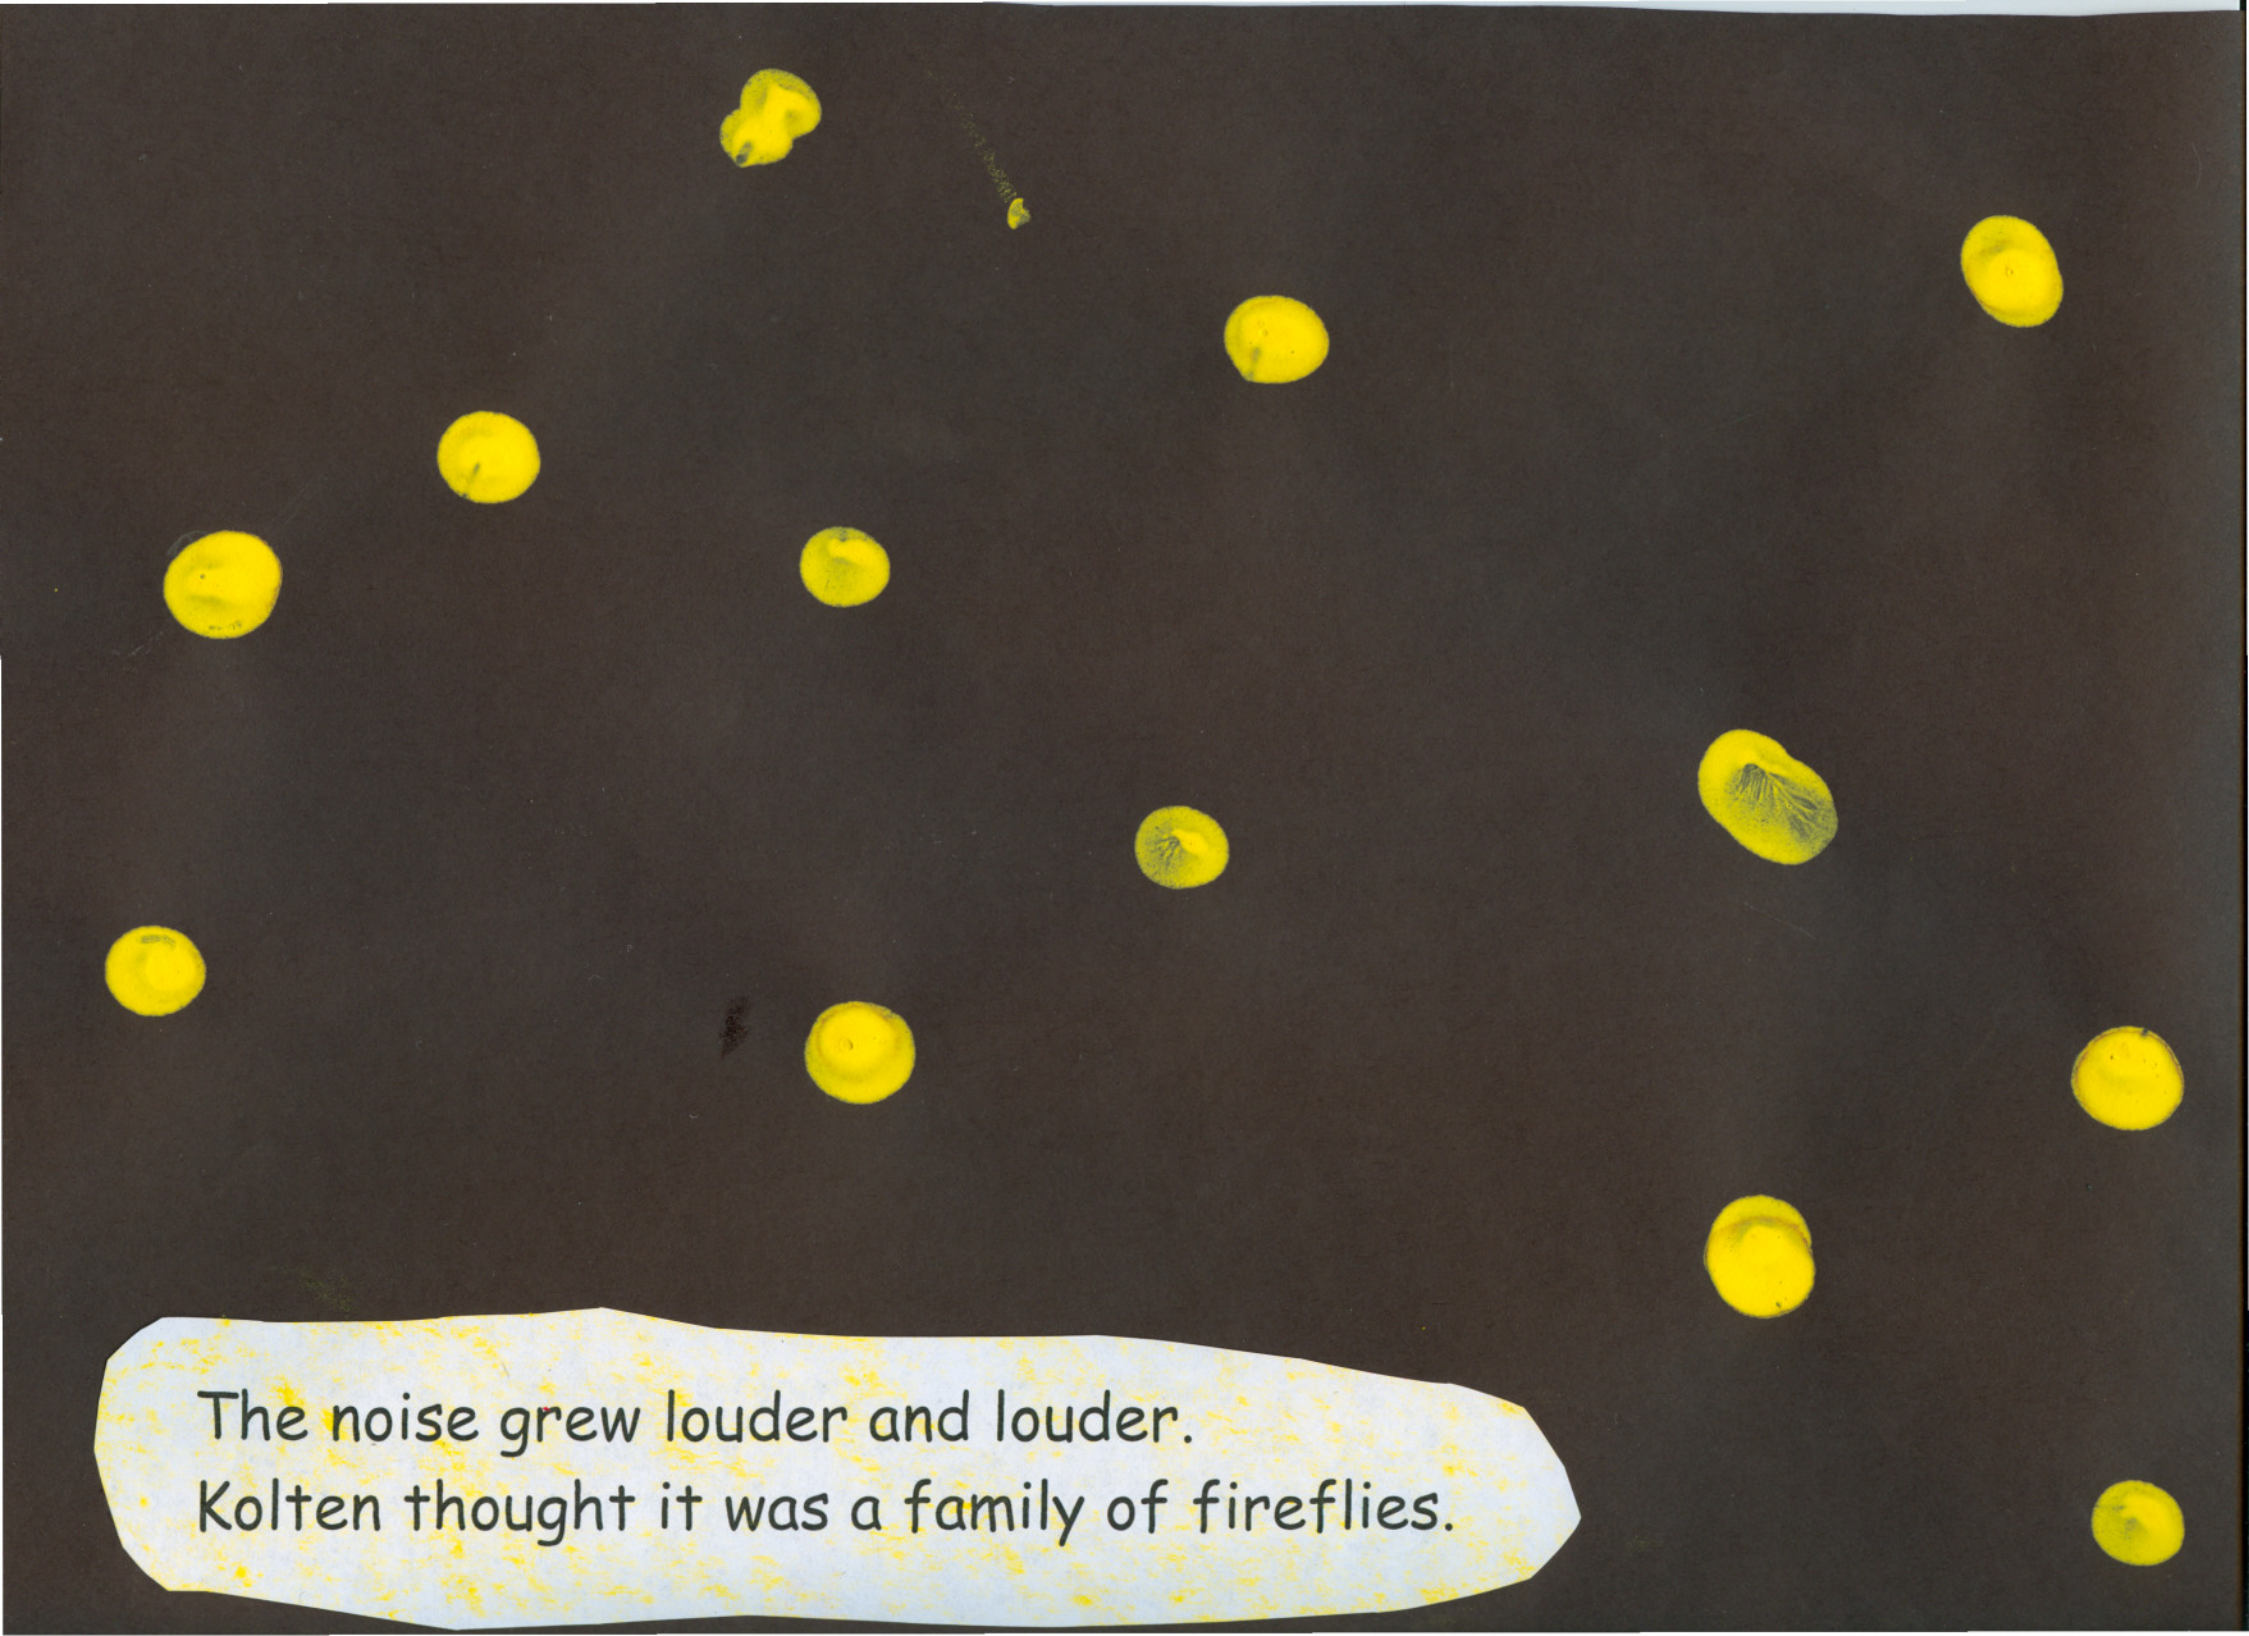

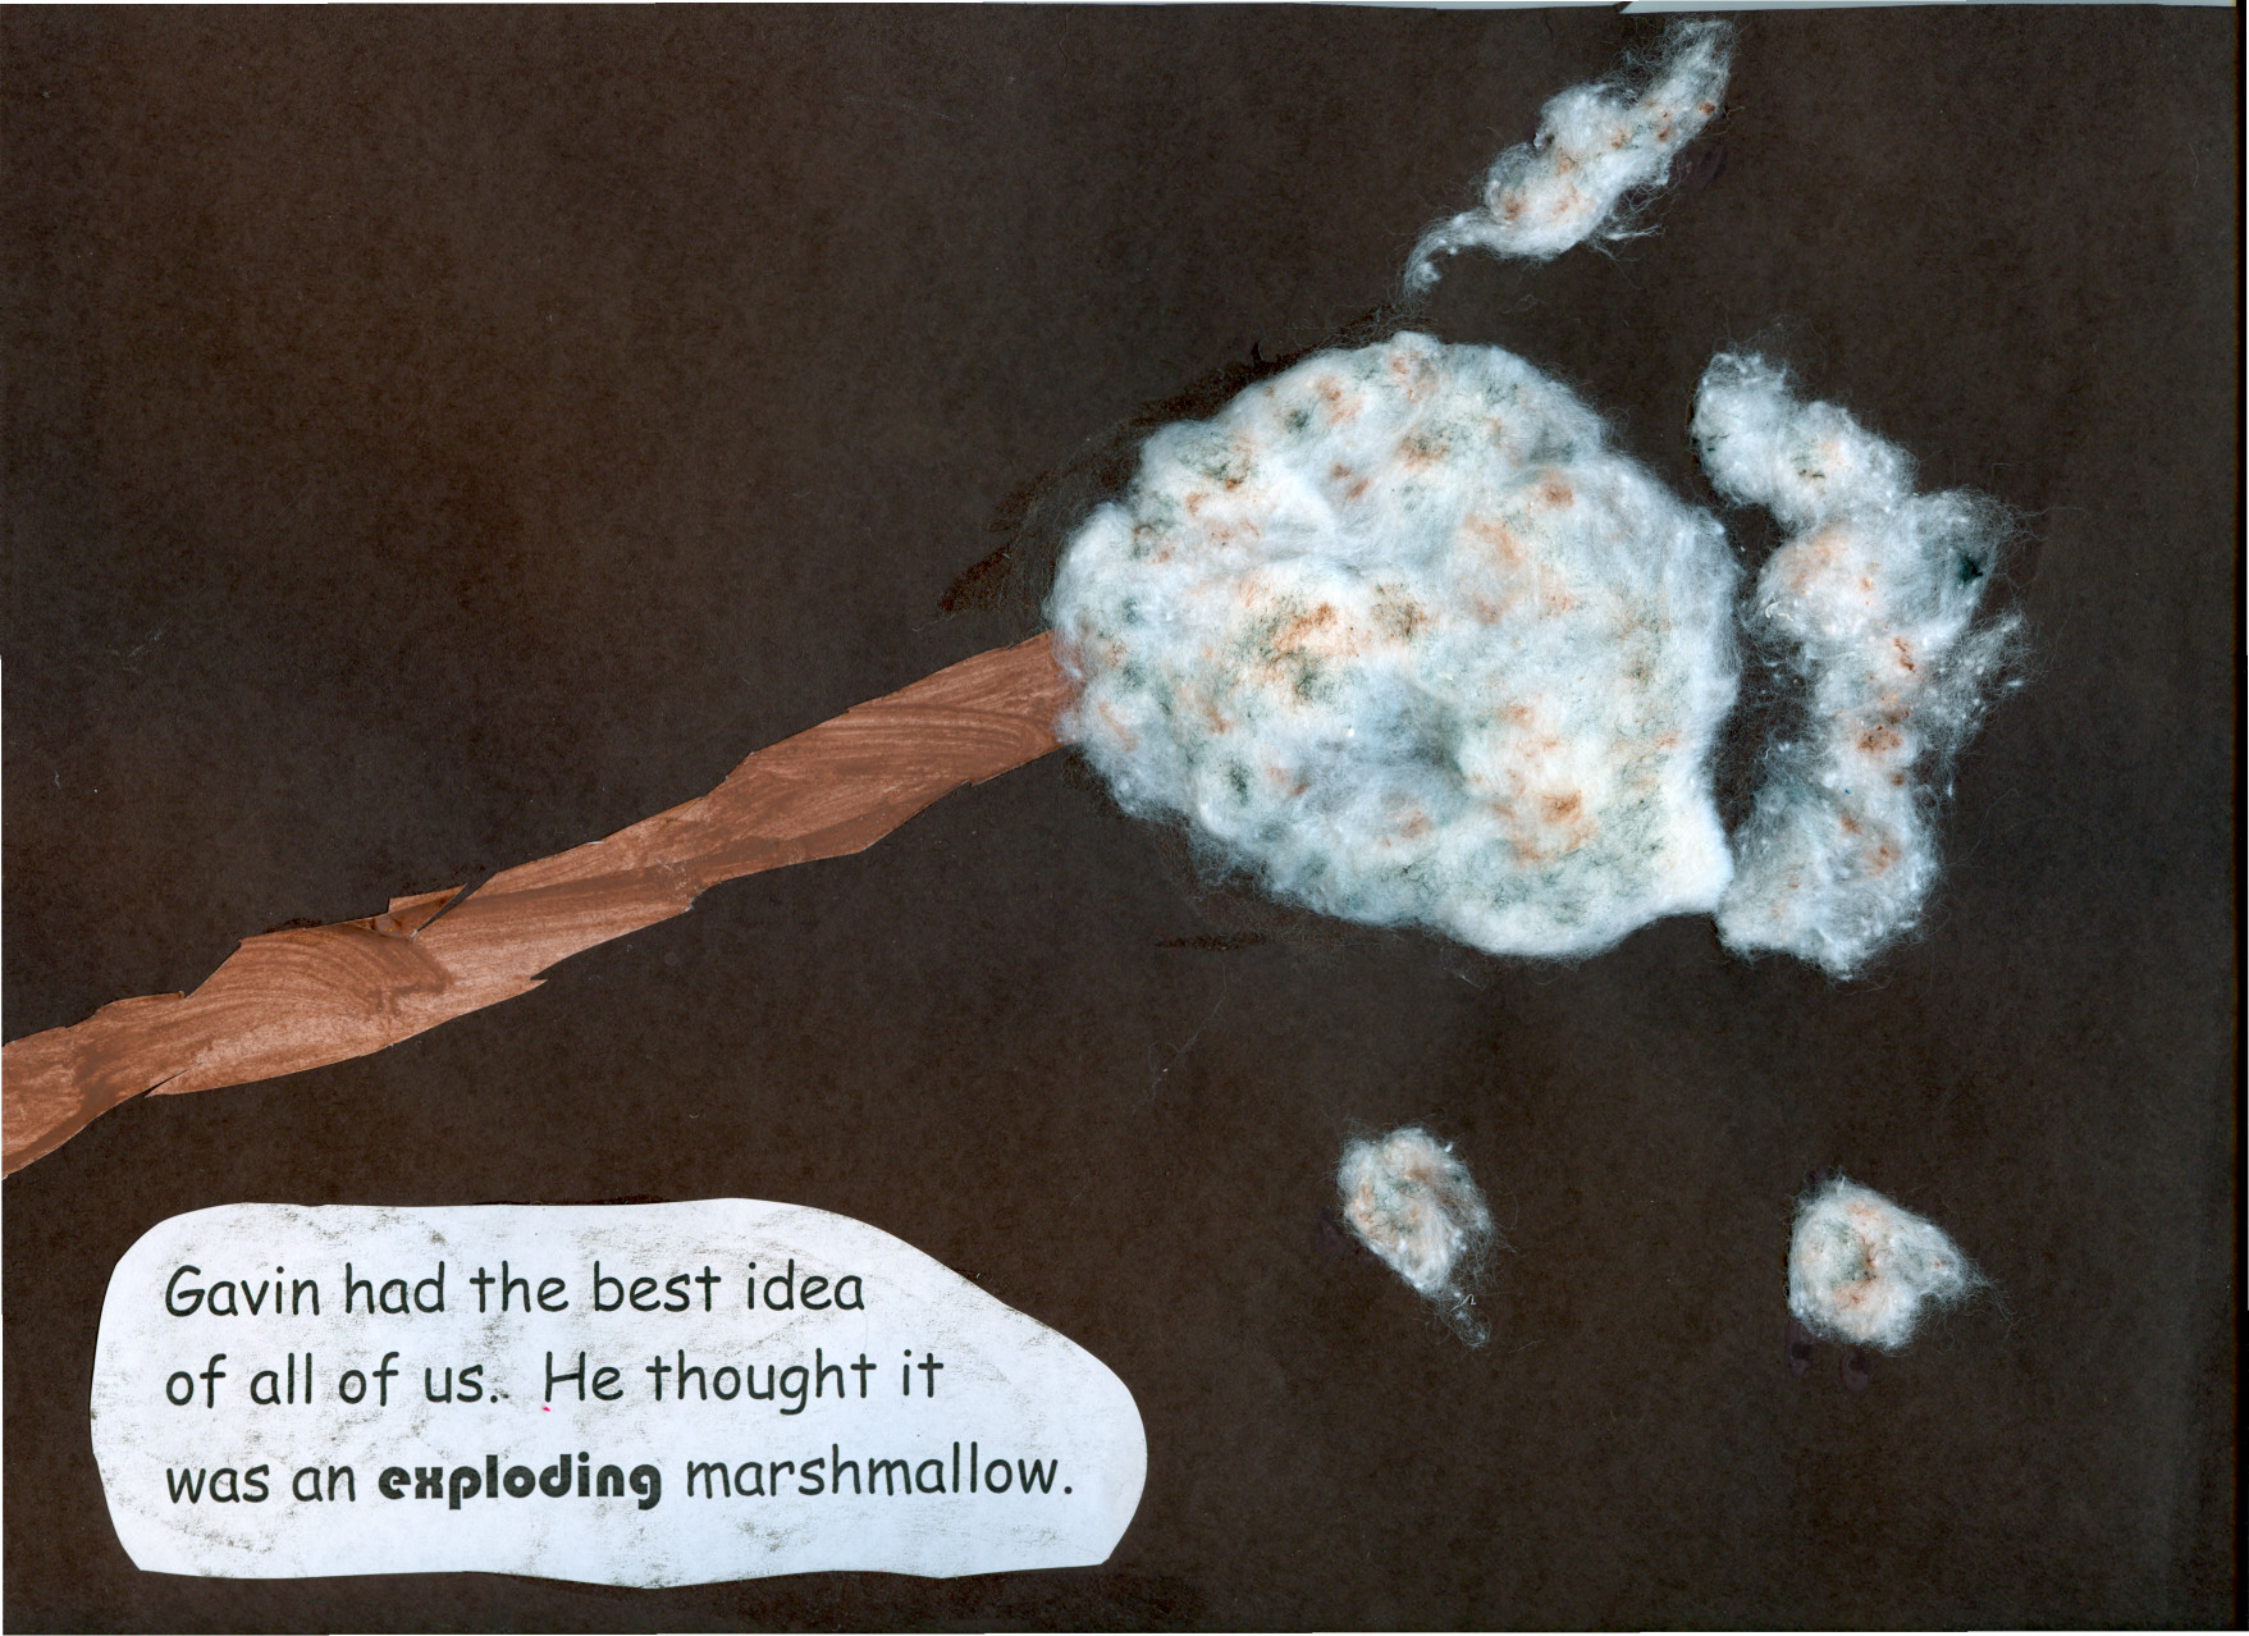

We started guessing
what the mystery noise could
be. Elliot thought it was a big hooting owl.

Zane said
it was
a very
large
Bullfrog.

The noise grew louder and louder.
Kolten thought it was a family of fireflies.

Gavin had the best idea
of all of us. He thought it
was an **exploding** marshmallow.

The noise just kept getting closer and closer! Then it was right behind us. We didn't know what to do. A *whoosh* sound flew right over our heads. It put out our large campfire.

The next thing we heard
was the firefighters telling us
"Not such a big campfire boys."
Then the firefighters turned off their
sirens and we solved the mystery noise.
