I like to play with her. Sera's favorite thing is playing with her babies.

She makes a mess with her baby clothes and She wants me to help her get them on. Sometimes it is fun.

Sera has lived With us for one year now.
We taught her about Christmas, Halloween,
her Birthday and other holidays. Our favorite
holiday is Christmas.

Holidays Are Fun

I am glad that I'm a big sister now. I can not wait to teach Sefa how to ride her bike. Maybe she can teach me about China.
