

Max and the Flowers

One summer day Megan and her Mom were planting a flower in the flower bed.

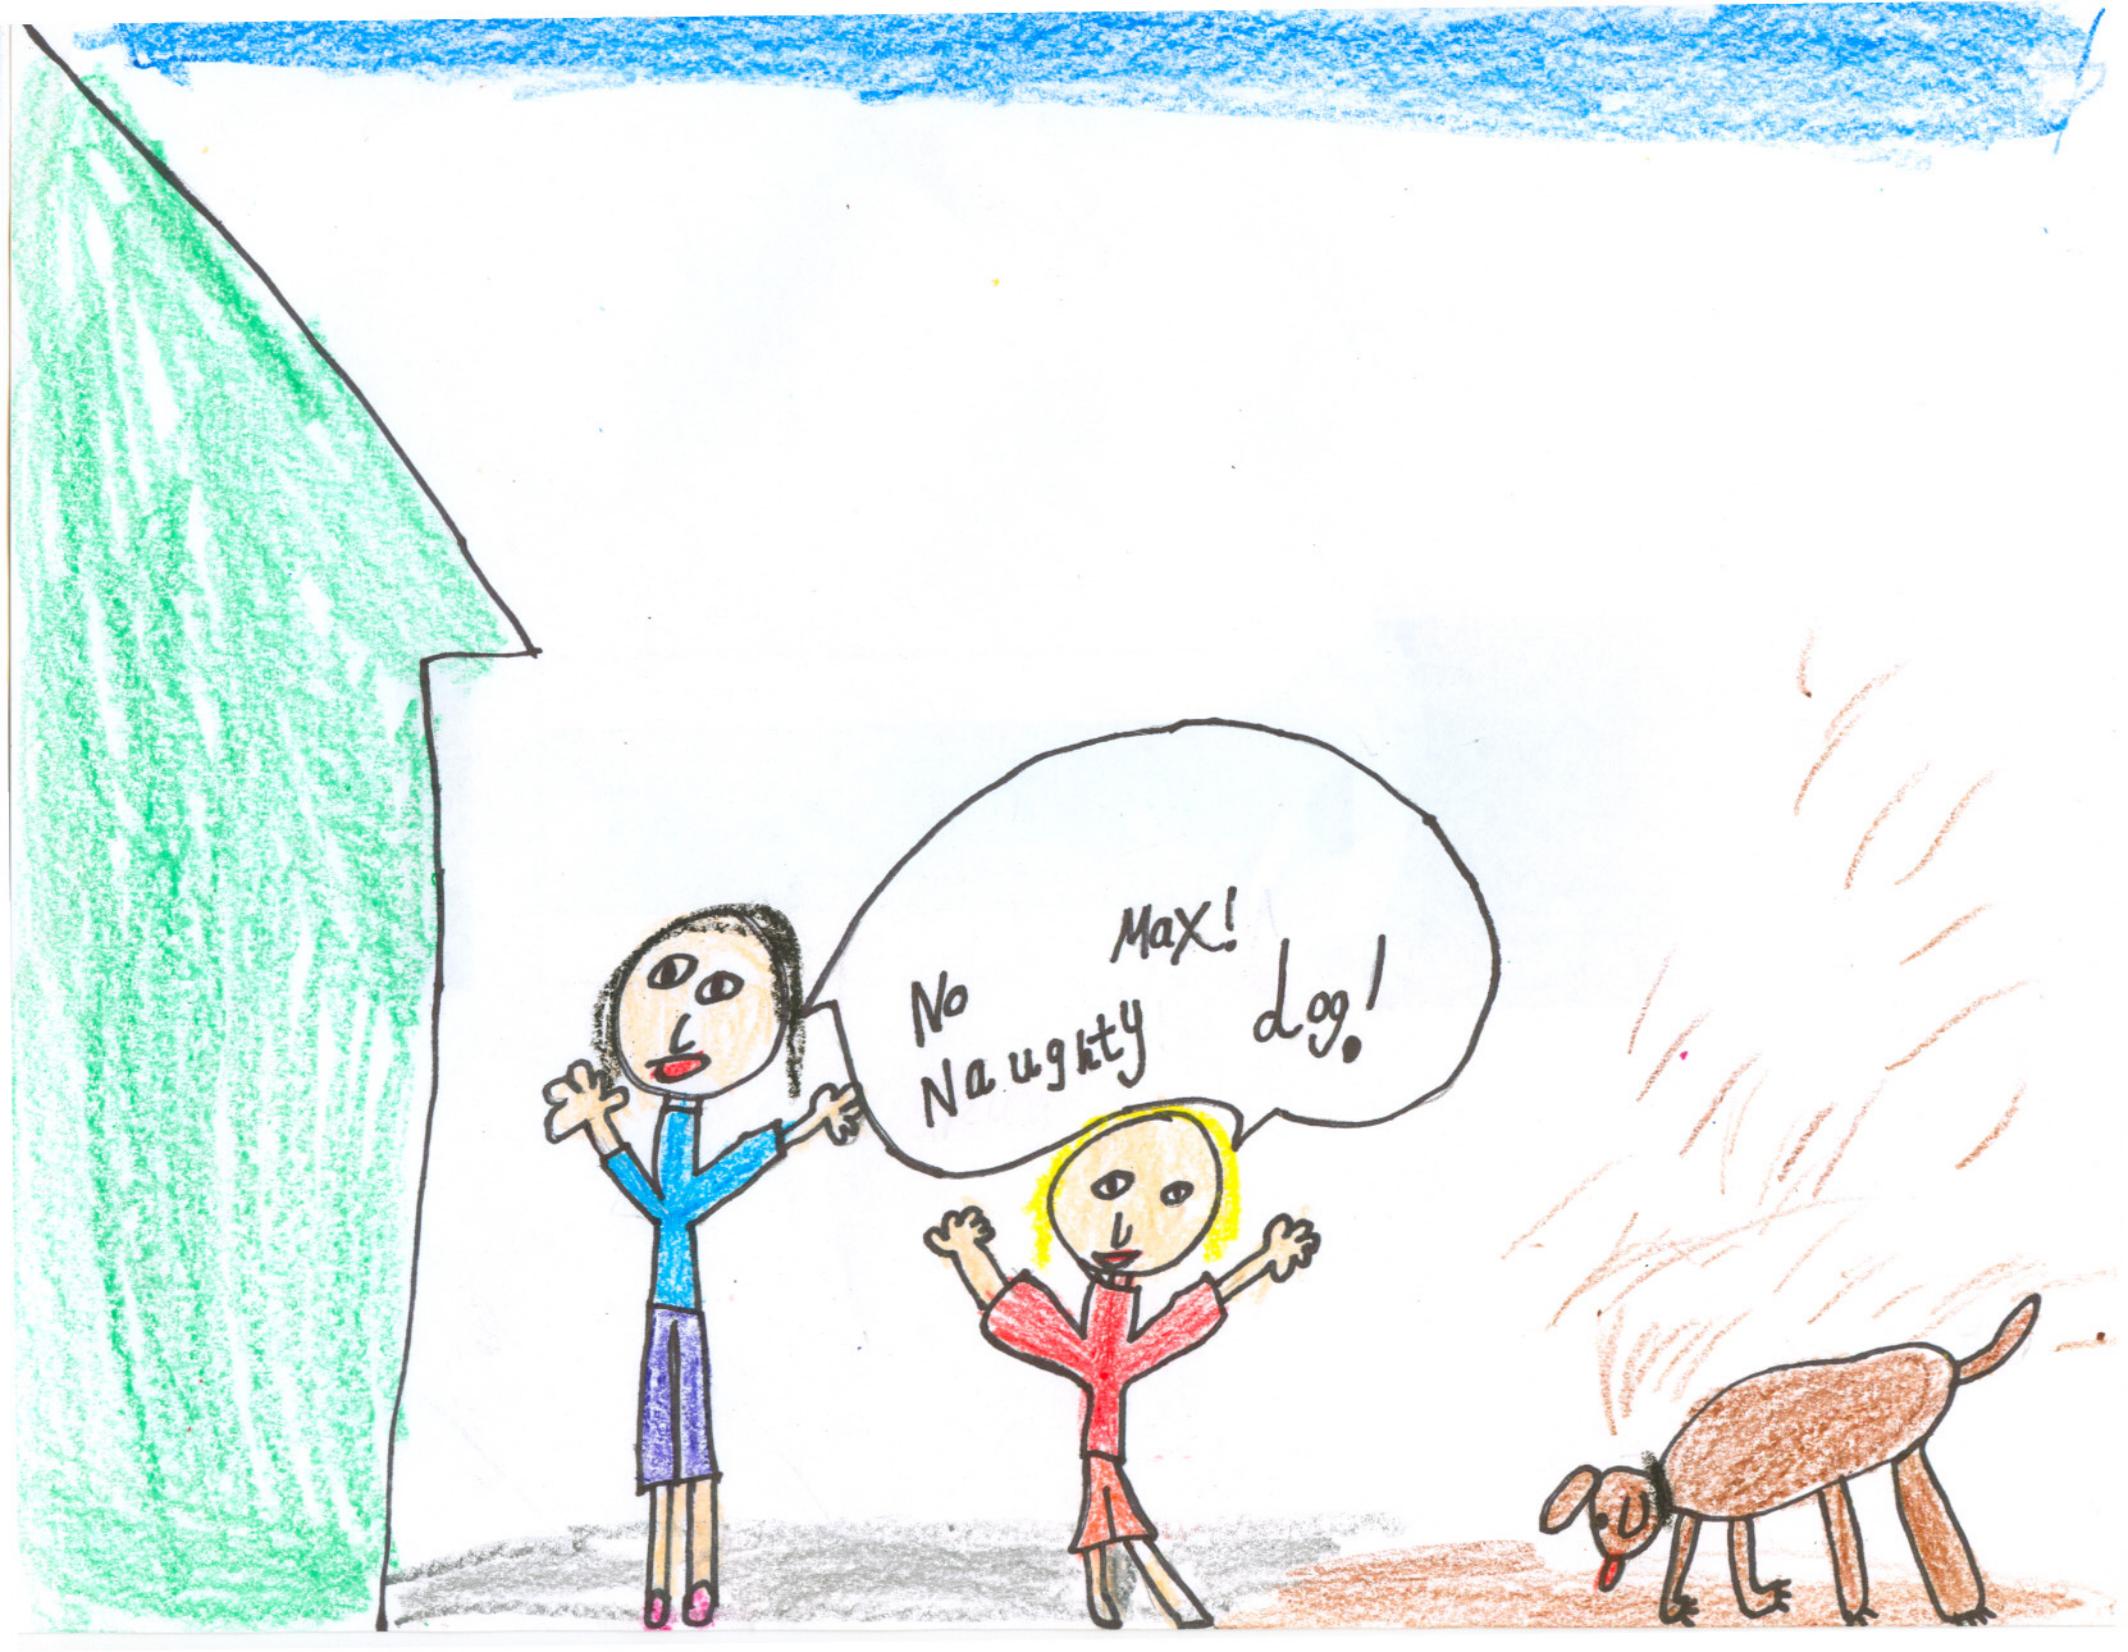

They went in the house to get a drink of water
and a snack.

When they went back outside to the flower bed, they saw Max, the dog, digging in the flower bed.

“No Max! Naughty dog!” said Mom.

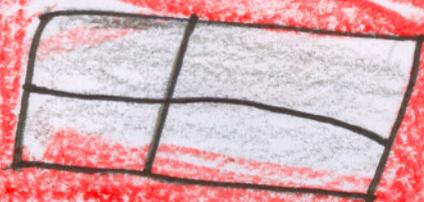

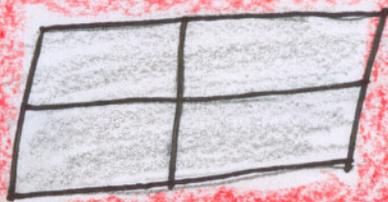

“No Max! Naughty dog!” said Megan.

No Max!
Naughty dog!

Max knew he was in trouble.

Max went to lay down in the garage.

Mom and Megan went back to planting flowers.

When they were done planting flowers,

Mom put a fence around the flower bed.

The flowers all grew big and beautiful.

Max learned to stay out of the flower bed!!
