

Make Your Own Drum!

What you need:

- Cookie tin
- Paper clips
- Tape
- Cardboard
- 2 unsharpened pencils
- 2 pencil top erasers

What you do:

1. Trace the bottom of the tin onto a piece of cardboard and cut out.
2. Place the tin upside down on the table.
3. Put several paperclips on the bottom on the tin.
4. Place cardboard over paperclips and tape securely to tin.
5. Decorate your drum.
6. Put erasers onto pencils and use them as your drum sticks.
7. Have fun!
